

Leamington C & AC 5 mile TT Champs on 22 August 18, course:K4/5G

The return to Gaydon for our last "flat" TT Championship could have been affected by road works, but apparently that wasn't the case. Tony Foster made the best improvement on the night.

9	John Frydman	0-15-40	0-14-39	-01-01	12

Six events down, only the Edge Hill left to separate the two guys at the top, Darren and Paul on equal points. An improbable scenario could see a three way split, it's just mathematically possible that John H could catch them.
