

# Leamington Athletics Cycle Challenge

30 May 2024

17:30 Registration

## At the Newbold Comyn MTB Trails

LCAC Cycling Section have arranged with Warwick District Council for a cycling event on the Newbold Comyn Blue Trail

Entry is open and FREE to all Athletics section members U15, U13, U11 - Boys and Girls

This will be a Timed Trail, 3 laps of the 2 Km circuit, there will be marshals at junctions to send you in the right direction. We do suggest, however, that you familiarise yourself with the course prior to the event

We will use the blue trail which is graded "moderate". It has especially surfaced trails which include bumps and banked turns. Most gradients are moderate but there are short steep sections which can be dangerous if taken too fast, please ensure that your cycle brakes are in full working order. Helmets are obligatory, long trousers and sleeves are recommended unless you have knee and elbow protectors

For further information or to register your interest contact Mary Carter or email Jeremy Eastaugh - [jeremy@eastaugh.com](mailto:jeremy@eastaugh.com)
